Friday Funny!

It doesn't matter how often a married man changes his job, he still ends up with the same boss.

Men are like horoscopes.... they always tell you what to do and are usually wrong.

Grooms, once you get married remember that when you have a discussion with your future wife, always remember to get the last two words in: "Yes dear".

I haven't spoken to my Mother-In-Law for eighteen months....I don't like to interrupt her.

Why did the chicken cross the road?

GRANDPA: In my day we didn't ask why the chicken crossed the road. Somebody told us the chicken crossed the road, and that was good enough.

ALBERT EINSTEIN: Did the chicken really cross the road, or did the road move beneath the chicken?

DR SEUSS: Did the chicken cross the road? Did he cross it with a toad? Yes, the chicken crossed the road, but why it crossed I've not been told.

COLONEL SANDERS: Did I miss one?
