

CLUB NEWS

10 JANUARY 2020

Welcome to the very first newsletter of 2020, we hope you all had a very Merry Christmas and a Happy New Year.

LOST

On Friday 3 January three rings were lost somewhere in the club, if you find these or if you found them we would greatly appreciate it if you would return these to a staff member at the office or at the bar. These rings hold great sentimental value and the owner would love to have them back.

THANK YOU

Thank you to the Adjuncts who donated from their adjunct funds for the Children's Christmas Party, After 5, Sunday Dancing, Golf and Over 60 Snooker. Your contributions are greatly appreciated.

MOVED HOUSE

If you have moved house recently or are planning to move could you please let the office know you can do this either in person, by phone call, by email or in writing. We need to know your address to send you your invoice as we do not email these out. Thank you.

BIRTHDAY VOUCHERS

Just a friendly reminder about birthday vouchers, these are available for you to pick up (during office hours) in the month of your birthday e.g. If your birthday is in January then you can pick up your voucher in January, even if your birthday is not until the end of January you can still collect it at the beginning of the month, you then have the whole month of January to spend it.

When you come to collect your voucher you must have your membership card with you for our staff to check we have your correct birthday in our system. Just to clear up a couple of issues we have found with the birthday vouchers, we do not email these out to you, we do not have them enveloped waiting for you, we do not mail them out to you we also do not pay your subs for you if your birthday falls in the same month that your subs are due. They can only be used in the Restaurant and you cannot collect these vouchers for anyone else.

FRIDAY FUNNY

"Hearing Better Now"

An elderly man was having hearing problems and went to see a specialist. The doctor fitted him with some hearing aids that brought his hearing back to full strength.

After a few weeks the man came back to make sure the new equipment was working properly, which it was.

The hearing specialist said, "It all seems perfect. Your family should be delighted you can hear everything now."

"Oh no," the man responded. "I haven't told any of them. I just sit quietly, listening carefully. I've changed my will four times."
