FRIDAY FUNNY X2

The Pig

A farmer had a three legged pig and his neighbor asked him why the pig had only three legs. "Well, I'll tell you" the farmer replied. "One day I was plowing my field and the tractor turned over and pinned me underneath. That pig ran for help. He saved my life".

"Oh, that's how he lost his leg?" the neighbor drawled.

"No. One night my wife and I were sound asleep and the house caught on fire. That pig woke us up. He saved our lives!"

"So that's how he lost his leg", stated the neighbor.

"No, that wasn't it" the farmer affirmed.

Exasperated, the neighbor demanded "Then how did he lose his leg?" and the farmer replied, "When you have a pig that good, you don't eat him all at once!"

The Pharmacist

A collected, calm and respectable lady went into the pharmacy, walked up to the pharmacist and looked straight into his eyes and said "I would like to buy some cyanide please."

The pharmacist was surprised and asked, "Why in the world do you need cyanide?" The lady replied "I need it to poison my husband."

The pharmacist exclaimed "Lord have mercy! I cant give you cyanide to kill your husband. Absolutely not. You cannot have any cyanide!" The lady reached into her purse and pulled out a photo of her husband in bed with the pharmacist's wife.

The pharmacist looked at the photo for a second and said "you didn't tell me you had a prescription."
