FRIDAY FUNNY

A woman in a supermarket is following a grandfather and his badly behaved grandson. He has his hands full with the child screaming for sweets, biscuits, and all sorts of things.

The grandfather is saying in a controlled voice: "Easy, William, we won't be long." Another outburst and she hears the grandfather calmly say, "It's okay William. Just a couple more minutes and we'll be out of here. Hang in there."

At the checkout the little horror is throwing items out of the cart. Grandfather says again in a controlled voice, "William, relax buddy, don't get upset. We'll be home in five minutes, stay cool William."

Very impressed, the woman goes outside to where the grandfather is loading his groceries and the boy into the car. She says, "It's none of my business, but you were amazing in there. I don't know how you did it. That whole time you kept your composure, and no matter how loud and disruptive he got, you just calmly kept saying that things would be okay. William is very lucky to have you as his grandfather."

"Thanks," says the grandfather, "but I am William. This little shit's name is Kevin."
