FRIDAY FUNNY

FISHING HOLIDAY

A couple goes on holiday to a fishing resort. The husband likes to fish at the crack of dawn. The wife likes to read. One morning the husband returns after several hours of fishing and decides to take a nap. Although not familiar with the area, the wife decides to take the boat out. She motors out a short distance, anchors and continues to read her book. Along comes a fishing inspector in his boat. He pulls up alongside the woman and says, "Good morning madam. What are you doing?" "Reading a book," she replies thinking isn't that obvious! "You're in a restricted fishing area," he informs her. "I'm sorry officer, but I'm not fishing, I'm reading." "Yes, but you have all the equipment, for all I know you could start at any moment. Ill have to take you in and make a report." "If you do that, Ill have to charge you with sexual assault," says the woman. "But I haven't even touched you," says the man. "That's true, but you have all the equipment. For all I know you could start at any moment." "Have a nice day madam," and he left.....

MORAL: Never argue with a woman who reads. Its likely she can also think.
