FRIDAY FUNNY

A mother was teaching her child about the side effects of alcohol.

She gets two short glasses, filling one with water and the other with whiskey.

She says to her child "I want you to see this".

She puts a worm in the water and it swims around.

Then she puts a worm in the whiskey and the worm dies immediately.

Then feeling that she has made her point clear, she says to her child "What do you have to say about this experiment?"

The child responds by saying
"if I drink whiskey, I wont get worms!"

SENIORS

The Seniors Adjunct AGM was held on Wednesday 10th February with 48 members in attendance. Peter Russell was returned as President, Anne Russell returned as Secretary and Mary Hurley returned as Treasurer.
